CONFIRMATION OF CORRESPONDENCE ADDRESS

Sir:

This correspondence is being filed in response to a request by Examiner Rosario to confirm the correspondence address for the above-referenced patent application.

A change in correspondence address for this application was filed back in December 11, 2003. That filing indicated that the correspondence address was to be the address associated with our customer number 000031894. That address is currently P. O. Box 641330, San Jose, California 95164-1330.

Per a conversation between James Okamoto and the Examiner on August 10, 2005, an office action was mailed to an incorrect address in November 2004. That office action was returned as undelivered to the Examiner, and hence has not been received by the applicants.

Applicants look forward to receiving the office action.
